EUROPEAN MEDICAL TOURISM

EMT 2024

make your clinic **VISIBLE**

October 16-17

////// MEDICAL TOURISM

Medical tourism, still little known in some countries (for example in Italy) is growing exponentially. In brief, it is the movement of patients from one state to another to face medical treatment. The reasons for a trip of this type are the search for better treatments at a cheaper rate, or the search for treatments that are not provided in your state of residence. They can be preventive treatments such as check-ups and Second Opinion in the clinic, prevention or rehabilitation in specialized Thermal Centers, trips in search of a better image - cosmetic surgery - , or even purifying and detoxifying paths for those who sustain difficult work rhythms .

ONE GROUP 3 AIMS

BY MARIAANTONIETTA PRINCIVALLE

The first company was founded in 2012, in Veneto, Italy. Born as a DMC, it has never stopped evolving. In those years, a great transformation took place in tourism: the era of intermediation was ending, and online platforms took over. WFS, however, has always supported and believed in professional travel agents. Therefore, we decided to travel the world to understand the right direction to take and specialise in market niches that would soon explode, generating important flows: experience tourism and medical tourism. Today, WFS represents an innovative platform for luxury & experience tourism, B2B and B2C, dedicated to luxury products and Services.

BookingsMed Is the on line booking system for Medical Tourism. It is both B2B and B2C. The new Marketplace for Clinics, Doctors, Thermal Centres and Medical Spa

BookingsMed Italia is the new tour operator born on 2022 to support travel agencies and suppliers

World Fine Selections Is the innovative platform for Luxury & Experience tourism. Both B2B and B2C.. Dedicated to Luxury products and Services.

WFS Events is the Web site dedicated to promote our B2B events, such as Workshops, Fam Trips, Trainings & Educational. The ideal way for growing your business.

ABOUT EMT – SINCE 2017
